

The book cover features a vibrant, painterly illustration. On the left, a young princess with dark skin and hair, wearing a gold crown and a purple dress, looks out from a window of a pinkish-red building. She is reaching out towards a large, colorful dragon flying in the sky. The dragon has a blue body with orange and yellow patterns and large, expressive eyes. In the bottom right corner, the head of a grey bull with large, curved horns is visible, looking towards the left. The background is a soft, dreamy landscape with a purple and blue sky, a large blue moon, and a garden with various plants and flowers. The overall style is whimsical and artistic.
