

The background is a vibrant, painterly illustration. On the left, a young princess with dark skin and curly hair, wearing a crown and a purple dress, looks out from a window of a red-roofed house, reaching out towards a small, colorful, winged creature flying in the sky. In the upper right, a large, orange and purple dragon with yellow horns and a large eye is depicted. In the lower right, the head of a grey dragon with large, expressive eyes is visible. The sky is a mix of purple and blue with soft, pinkish clouds. The overall style is whimsical and storybook-like.
