

The background of the cover is a vibrant, painterly illustration. On the left, a young Black princess with a crown and a purple dress looks out from a window of a red-roofed house, reaching out towards a large, colorful, multi-headed dragon flying in the sky. The dragon has orange and yellow scales and multiple heads with large eyes. In the bottom right corner, a large, dark grey, elephant-like creature with a white tusk and a blue eye is partially visible. The sky is a mix of purple and blue with soft, pinkish clouds. The overall style is whimsical and fantastical.
