Vorwort

Liebe Schülerin, lieber Schüler,

mit diesem Heft kannst du dich ideal auf die Klassenarbeiten und Tests vorbereiten, die du in der 5. Klasse am Gymnasium schreibst.

Die Klassenarbeiten und Tests in diesem Heft decken die wichtigsten Kompetenzen und Themen der 5. Klasse ab, sodass du die Arbeiten, die du in der Schule schreibst, gut vorbereitet angehen kannst. Anhand der Aufgaben in diesem Heft kannst du sehen, wie umfangreich dein **Wortschatz** ist oder wie gut du die **Grammatik** beherrschst. Außerdem musst du **eigene Texte verfassen** und **Sprachmittlungsaufgaben** bearbeiten. Daneben gibt es einige Klassenarbeiten und Tests, die Aufgaben zum **Lese- oder Hörverstehen** enthalten. Eine Hörverstehensaufgabe erkennst du an diesem Symbol . Hier benötigst du jeweils die dazugehörige MP3-Datei. Wo du diese findest und wie du sie herunterladen kannst, ist auf der vorderen Umschlaginnenseite erklärt.

Versuche, die Aufgaben ohne Hilfe zu lösen, und vergleiche erst zum Schluss deine Ergebnisse mit den Lösungen im Lösungsheft. Damit du deine Leistung richtig einschätzen kannst, gibt es zu jeder Aufgabe weitere Hinweise: Im **Angabenteil** findest du zu den einzelnen Teilaufgaben die jeweils mögliche **Punktzahl** am Rand vermerkt. Außerdem gibt es für jede Klassenarbeit und jeden Test einen **Notenschlüssel**. Im **Lösungsheft** findest du **Transkripte der Hörverstehenstexte** sowie die **Lösungen** zu allen Aufgaben. Hier ist jeweils der **Schwierigkeitsgrad** angegeben, und die **Zeitangaben** verraten dir, wie lange du zum Lösen der einzelnen Aufgaben ungefähr brauchen solltest. Die Lösungen zu den Schreibaufgaben können dir Ideen für deine eigenen Texte liefern. Lies sie gut durch, aber denke daran, dass sie nur als Vorschlag zu verstehen sind. Lass dich also nicht verunsichern, wenn deine Lösungen von den Vorschlägen abweichen.

Viel Erfolg bei deinen Klassenarbeiten wünscht dir

Kerstin Rittmayr

Be careful: sometimes more than one sentence ending can be correct.

Janet Hall is new to Bath. She is a teacher and works at Kingswood School. She is the class teacher of class 7JH. Emma and Alan are students in her class. Mrs Hall teaches Geography and she likes to travel. Her favourite country is Australia, but she also likes Chile. She doesn't know China, but she wants to go there. She speaks English and Spanish, but she doesn't speak Chinese. Mrs Hall gets up at half past six. She always does sport before breakfast. In spring and summer, she goes inline skating in the park. In autumn and winter, she does yoga at home. She is usually in the bathroom at 7.15. At 7.30, she has breakfast. She loves cornflakes, fruit and yoghurt, but she sometimes has toast too. For breakfast, she always drinks tea because she doesn't like coffee. On school days, she reads the news on the internet, but at the weekends, she buys a newspaper and reads it from front to back. On Saturdays and Sundays, she doesn't get up at 6.30 – she usually sleeps late.

Mrs Hall is married to Dan Hall. He works at a restaurant. He always starts work at 10.30, so he doesn't get up with Janet from Monday to Friday. He usually sleeps till 8 o'clock. They only eat breakfast together at the weekends. Mrs Hall doesn't live close to the school, so she drives there. She leaves the flat at 8.15. It is twenty minutes by car. She always listens to music during the drive and she sings along to her favourite songs. She doesn't sing well, but she has lots of fun and nobody can hear her anyway. She usually arrives at school early, but she likes it that way, because she likes to talk to the other teachers and her students before school starts.

Beispiellösung:

Hi Jake,

Thank you for your message. I'm fine. I usually get up at 6.45. First, I go to the bathroom and take a shower. Then I go downstairs. I often have breakfast together with my parents, but not every day.

School starts at 8 o'clock. I leave our house half an hour before lessons start. I usually walk, but sometimes I go by bike.

There are six or more lessons every day. I always have lunch in the school cafeteria. The food is OK. After lunch, my friends and I often play football in the schoolyard. I also do my homework at school. I go home at four o'clock.

One of my hobbies is karate, so I often have karate training in the afternoons. I go to karate training every Monday, Thursday and Friday. On Tuesdays, I usually meet my best friend Oskar. On Wednesdays, I don't do anything special.

What about you? What are your hobbies?

Bye, Daniel
