

The background of the cover is a soft-focus photograph of dandelions. One dandelion seed head is in sharp focus on the right side, showing its white, fluffy seeds. To its left, another dandelion seed head is in focus, but it is brown and appears to be a dried or matured seed head. The background is filled with other out-of-focus dandelions and green stems. In the top right corner, there is a small logo consisting of three curved lines in a square.
