

Keine  
Sorge.

Ich werd nicht sa-  
gen: „Ihr fragt euch  
vermutlich, wie ich  
hier gelandet bin.“

Mir ist nur zu  
**schmerzlich**  
bewusst, wie

Ich entschied mich, der  
freundliche Spider-Man  
aus der Nachbarschaft  
zu sein ...

A full-page comic illustration of Spider-Man falling upside down in space. He is wearing his classic red and blue suit with white stripes on the arms and legs. His mask has large white eyes with black pupils. He is holding a thin, curved web line in his right hand. The background is a deep blue space filled with white stars and streaks of light. To the left, a yellow structure, possibly part of a ship or station, is visible. The overall tone is dramatic and humorous.

... und das war  
wohl eine *echt*  
*mieste* Idee.
