

The background is a complex, abstract artwork. It features several overlapping circular and semi-circular shapes in various colors, including shades of green, orange, red, and purple. The artwork has a textured, almost collage-like quality, with some elements resembling architectural structures or mechanical parts. A large, dark green semi-circle is positioned in the upper left quadrant, partially overlapping the text. In the bottom right corner, there is a solid orange semi-circle containing the publisher's logo.
